

It's more than a building.

paving the way to self-sufficiency through housing

A safe, modern, and affordable housing option for our youth workers and Neu-Life alumni.

Why NeuVue?

To meet the needs of the young adults who serve in our programs, as well as provide Neu-Life with a long-term, sustainable source of income.

At a glance:

Neuvue will include apartments, spaces for our Farmfork Culinary School and Cafe, a two-story gymnasium, a flexible special event space, office space for other non profit partners, underground and surface parking, and a rooftop garden with a green energy roof. Offering beautiful, sweeping views of downtown and the new arena, Neuvue will be centrally located within close proximity to Neu-Life, MATC, and Marquette University.
