# HIGH SCHOOL APPLICATION

Neu Life's **Youth Work Innovation Center (YWIC)** is a paid work experience program where youth gain valuable skills through participating in project-based workgroups and classes.

**The application process consists of two steps: the (1) written application and (2) in-person interview. The written application consists of three forms: the (1) registration form, (2) questionnaire and (3) assessment.**

**After you submit your application, we will review it to see if we'd like to interview you. If chosen, we will call you to set up a time for your in-person interview.**

**Please bring in a copy of your most recent report card to your interview. Your grades will not influence our decision to hire you; we are interested in learning your strengths and weaknesses in order to assist you in reaching your academic goals.**

## Part 1: Questionnaire *(3-5 sentences per question)*

1. Do you have any art experience (painting, drawing or any other art projects)? If so, please elaborate.

2. Do you have any gardening or landscaping experience? If so, please elaborate.

3. Have you ever had a job before? If so, tell us about your experience.

4. How did you find out about this opportunity?

5. The YWIC is a place where youth are paid to work on projects as well as learn skills that will be beneficial later in life. With that, what are some things that you would be interested in learning? Think outside the box. It can be anything.

6. Sometimes youth can get bored and that's ok! Every project or class that you are a part of may not be interesting to you, but it will be beneficial. What will you do to stay engaged in moments when you've lost interest?

7. Please share three interesting facts about yourself. (Describe your likes/dislikes, things we might not notice right away, pet peeves, etc.)

8. How do you like to spend your free time?

9. How do you work with people who distract you from staying focused?

10. What is your biggest responsibility at this point in your life?
